# National Cerebral Palsy Awareness Week

2-8 August  
Programme of Events

## about the week

We are pleased to present our National Cerebral Palsy Awareness Week (CP Week) Programme for 2009.

The Centre has been building futures for people with CP and like disabilities since 1951 through a wide range of services. These include therapy options, accommodation, respite care, employment, alternatives to employment, technology and specialised equipment to enhance the lives of the people we support.

One of the many highlights of CP Week is our National You Be the Difference Campaign. This unique Campaign gives us the opportunity to celebrate the difference people with CP are making at school, home, work or in our community and the work of The Centre for Cerebral Palsy. For more information visit [www.youbethedifference.com.au](http://www.youbethedifference.com.au).

Join in the many activities of CP Week especially on Friday August 7, when The City will come alive with brightly vested volunteers rattling tins and collecting small change to make a big difference. This year our volunteers will also be collecting any unwanted mobile phones to recycle for CP. CP Week Perth-O-Nality DJ, Bodie Huts, will be entertaining the lunchtime crowds in Forrest Chase, so if you are in the City come and join us.

CP Week would not be possible without the tremendous support of our sponsors, community partners, supporters and volunteers.

We look forward to sharing some of the many CP Week activities with you.

Judy Hogben  
Chief Executive Officer
