

National Cerebral Palsy Awareness Week Ways Your School Can Be Involved

GET YOUR SCHOOL INVOLVED IN CP AWARENESS WEEK BY HOLDING A FUNDRAISING or AWARENESS RAISING ACTIVITY!

Free dress day

Organise a Free Dress Day for your school; give permission for your students to leave their uniforms at home and collect gold coin donations for The Centre for Cerebral Palsy!

Morning Tea

Celebrate a worthy cause by arranging a delicious morning tea for staff, students or the whole school!

Money trail

Hold a "Money Trail" competition between classes to see who can make the longest trail of donated coins through your schoolyard.

Merchandise

Celebrate CP Awareness Week in style and purchase or help to sell CP Awareness Week Wrist Bands. Only \$2 each!

Mobile phone recycling

Start a collection point at your school for unwanted mobile phones and help stop millions of phones from going to landfill. The programme is easy to run, there is no cost to your school or families, and each working mobile phone that is donated will help to raise vital funds for adults and children living with CP.

Word Sleuth Competition

Encourage your students to take part in our find-a-word Word Sleuth Competition featured in the WestKids Liftout of The West Australian on Saturday 1 August. Win a brand new iPod!

Volunteers Needed

Do you have Year 11 and 12 students at your school with a spare hour or two on Friday 8 August?

We need volunteers for our Street Appeal in the CBD and major train stations throughout metropolitan and regional WA .

Promote CP Awareness Week

Can you promote CP Awareness Week in your school publications and website, or display posters around your school?

If you would like to get your school involved in one of these activities or conduct an activity or event of your own, please contact Kathy Kane on (08) 9443 0228 or kathy.kane@tccp.com.au for more information.
